

## Mil-Way Federal Credit Union Awards Four \$1,000 Scholarships

The Donald G. Smith Scholarship was created in 1996 to honor retired Mil-Way FCU president, Don Smith. Mr. Smith served as our president from 1970 until 1995, at which time he retired. In 2012, the board voted to increase the number of scholarships to four in the amount of \$1000 each (\$500 per semester.) The scholarships are awarded during the first week in July of each year, with applications accepted during the month of May. Applicants must be a member of Mil-Way FCU, must be enrolled as a full time college undergraduate student and must maintain a 2.50 grade point average.

Our recipients have been very successful in their studies and have gone on to professional and rewarding careers. Not only is it exciting to see these students excel, it is an honor for us to award these scholarships in Mr. Smith's name.

### **Tyler Cobb-Texas A&M-Texarkana Student**

Cobb, the son of Mitch and Karmen Cobb of Texarkana, TX, is pursuing a Kinesiology degree from Texas A&M-Texarkana. After graduating with his undergraduate degree, Cobb plans on pursuing a career in athletic training.

### **Paige Eaton-2018 Texas High Graduate**

Eaton, the daughter of Daniel and Jessica Snow of Texarkana, TX, will pursue a degree in aerospace engineering from Texas A&M-College Station in the fall with her sights set on working with NASA/SpaceX after college. In addition to her studies she will also become a member of the Texas A&M Corp of Cadets.

### **Kailey Fenton-Southern Arkansas University-Magnolia Student**

Fenton, the daughter of Bobby and Missy Fenton of Texarkana, is currently an Elementary Education STEM degree seeking student at Southern Arkansas University-Magnolia. She plans on minoring in math with an additional licensure certification in 7-12 grade math education and pursuing a master's degree in education or school counseling after her undergraduate work is complete.

### **Caleb Snow-2018 Texas High Graduate**

Snow, the son of Daniel and Jessica Snow, will attend Texas A&M College Station in the fall to pursue a Communications degree. He plans on joining the Texas A&M Corp of Cadets as well.
